

Dear Members:

In recognition of **Family Doctor Week**, I extend warmest thanks for your time, dedication and commitment to family medicine. The ACFP is proud to celebrate *Family Doctor Week in Canada*, October 11-16, 2010.

Albertans depend on their family doctors in every stage of their lives, and value their special doctor-patient relationship. The ACFP is pleased to support Alberta's family doctors in their continuing quest to provide every Albertan with a caring, effective and accessible medical home responsive to the varied health needs of individuals, families and communities of every sort.

To recognize the important role that family doctors play in patients' lives, the ACFP developed the above poster. Please download and print the poster for display in your office. If you would like additional hard copies of the posters, please contact the ACFP office by emailing wendy.steele@acfp.ca, or by calling Wendy at (780) 488-2395 or toll free at 1-800-361-0607.

Once again, thank you, and we hope you will join us in celebrating Family Doctor Week!

Sincerely,

Paul W. A. Humphries, MD, CCFP, FCFP

President
