A Message From the President

Building on the success of the *Tools for Practice* initiative, the Alberta College of Family Physicians' (ACFP) Evidence & CPD Program Roadshow has hit the road.

Led by a dynamic team of family physicians, the CPD Roadshows are making stops in communities throughout Alberta. Sponsored by the ACFP, these mini-conferences provide 2-8 hours of accredited education tailored to specific community needs.

The Roadshows offer unique, interactive CME sessions, free from industry bias. Available topics are listed in the [attached brochure](#).

Organize a mini-conference that suits your timeframe, at a preferred venue in your community. Speaker travel, expenses and honorarium are covered by the ACFP.

For more information about the Roadshow, contact the ACFP office at 780-488-2395 or toll free in Alberta at 1-800-361-0607, or email info@acfp.ca.

Paul Humphries, MD, CCFP, FCFP
