

What's Up Doc? AFPRN Research Workshops and Poster Display

GENERAL INFORMATION

Rimrock Resort Hotel, Banff, AB – February 25 – 27, 2010
Alberta College of Family Physicians

AFPRN encourages submissions from both novice and experienced researchers, as well as submissions with co-presenters from other disciplines. We encourage submissions that include varied research methodologies, including mixed method research and qualitative research.

- Submissions must identify the presenting author.
- All presenters must register for the conference or event. Applicable fees will apply.
- All presenters are responsible for their own travel and other related expenses.
- There is no limit to the number of abstracts an author may submit; however the number of oral presentations may be limited for each presenter.
- Should your submission be selected for presentation or display, you will be notified no later than January 25, 2010.
- This event is intended solely to be a forum for presentation of research. Marketing of products, services or software will not be allowed.
- All submissions will be peer reviewed for acceptance.
- The Review Committee reserves the right to decide the presentation format for your submission.
