

ACFP CPD ROADSHOW

The Role of the ACFP

Roadshows are full-service events – all you have to do is suggest a local venue and caterer, and the ACFP will take care of the rest.

- Staffing
- Menu planning
- Venue booking
- Speaker travel/accommodation booking
- Registration and fee collections
- Promotional materials
- Direct email blasts and targeted marketing
- Final accreditation
- Session evaluations

The Role of Your Community/PCN

All we ask is that you choose a date, program topics, and help create some local buzz.

This program has been reviewed by **The College of Family Physicians of Canada** and is awaiting final accreditation by the College's Alberta Chapter.

The Team

The team has greater than thirty years combined experience organizing and presenting Continuing Professional Development programs. They organize and write Tools for Practice, have published multiple peer-reviewed papers, and participate in provincial and national committees.

Program Pricing

Roadshow prices are calculated based on the number of credit hours being delivered at your event. The fee charged helps to offset the cost of delivering the program in your community. These costs include but are not limited to:

- Venue and AV costs
- Meals and/or refreshments
- Speaker travel and/or accommodation
- Registration and program accreditation

Price Breakdown:

Length of Program	Physician Members / Health Care Providers	Non-member Physicians
2 hours	\$20	\$30
3 hours	\$30	\$45
4 hours	\$40	\$60
5+ hours	\$50	\$75

G. Michael Allan, MD CCFP

Mike is an Associate Professor in the Department of Family Medicine at the University of Alberta. He has been in practice for over fifteen years and presently works at the Northeast Community Health Centre in Edmonton. Mike also participates in a weekly medical podcast.

Christina Korownyk, MD CCFP

Tina is an Assistant Professor in the Department of Family Medicine at the University of Alberta. She practices family medicine at the Northeast Community Health Centre in Edmonton. Tina also contributes to medical podcasts.

Roadshow Highlights

- Program led by up to three (commonly two) of the CPD Evidence Team members
- Your choice from a wide selection of up-to-date, evidence-based content
- No industry involvement (the program or speakers)
- Flexible timing (evenings and weekends) and duration (2–8 hours)
- All expenses covered by the ACFP
- All program delivery and execution handled by the ACFP

Michael R. Kolber, BSc MD CCFP MSc

Mike is an Associate Professor in the Department of Family Medicine at the University of Alberta. He practices family medicine in Peace River and Edmonton. Mike has additional skills training in gastroenterology, contributes to medical podcasts, and has presented at local, provincial, national, and international events.

Adrienne Lindblad, BSP ACPR PharmD

Adrienne is the Knowledge Translation and Evidence Coordinator with the ACFP and an Associate Clinical Professor in the Department of Family Medicine at the University of Alberta. She has delivered numerous educational sessions for physicians and allied health professionals.
